SpecLight® Announces 10-Day Delivery

Austin, TX – SpecLight has launched a 10-day delivery program for 4-lamp and 6-lamp fluorescent high bay lighting fixtures.

Designed to meet fast-track commercial projects, this program delivers – not just ships, but delivers – high bay fixtures to any job site in the continental United States in just 10 business days. Fixtures are shipped with pre-installed T8 or T5 HO lamps and Alanod MIRO®4 high performance optics. Ideal for lighting warehouses, gymnasiums, and big box retail stores, these energy efficient fixtures are designed for mounting heights of 15' to 40' and are available in five light distributions that include focus, task, normal, spread, and broad.
